# Art In The Pearl Fine Arts & Crafts Festival

Labor Day Weekend    September 5-7, 2009  
North Park Blocks    Portland, Oregon

To Food Vendor applicants:

Thank you for your interest in Art in the Pearl. Those of you who are returning, welcome back! New applicants: we have very limited space available but hope that we can get you on board.

**Application deadline is March 20, 2009.**

With your initial application, please send (to address at bottom of page):

1. Application form: filled out completely, legibly, and *signed*.  
\* \* \* **DO NOT SEND MONEY WITH YOUR APPLICATION !!** zsxα\* \* \*
2. Copy of your intended menu: with descriptions/explanations of food items if necessary.
3. Any recommendations, photos, or documents that positively support your application.

*We will let you know if you are selected by April 10, 2009.*

The contract includes timelines for all fee payments. *Please respect them.* We'll send you an information packet with festival details, booth locations, etc. in mid-August.

We provide a commissary for your convenience. Consider it an extension of your booth, and as such it is subject to the same cleaning deposit guidelines. Not clean, no refund!

Please be courteous to residents and neighborhood businesses by keeping the sidewalks clean and clear of *all* booth equipment. To help with this, we provide you with an extra 5' x 10' space between your booth and the sidewalk for storage, coolers, etc. Vendors who do not respect this request will forfeit their cleaning deposit. Consider using a tarp or other ground cover to contain grease and spillage, enabling easier post-festival street clean-up. Thanks for your understanding and cooperation.

Any special electrical connections or other items that generate expenses beyond the scope of what we provide under normal contract terms must be paid for in full by the vendor before Festival opens. For example, need for a 220-amp circuit. You may make arrangements directly with the electrical contractor on site, or through us. Please let me know your needs and what you would like to do.

This year we continue to emphasize a "green" festival. We encourage you to use recyclable containers, biodegradable dishware, and any other innovations that you can employ. We will have clearly marked recycling bins for vendors and patrons.

Thanks again for your enthusiasm and support. Please feel free to write if you have any questions. May you have a fine and profitable festival season!

Best regards,

Mark Heimann
