RULES FOR PARTICIPATION AND CONDITIONS OF ENTRY IN THE ART IN THE PEARL FINE ARTS AND CRAFTS FESTIVAL:

1. All exhibited work must be consistent with the images submitted by Artist and selected by the jury. We will be checking each booth.
 2. All exhibited work must be original and handcrafted by the accepted Artist. Artist guarantees the accuracy of the description of the work presented to the jury and the authenticity of the work as the creation of their own hands.
 3. Work done by a production studio is not acceptable. All work must be designed and executed by the accepted Artist.
 4. All participating Artists must be present with their work for the entire three days of the Art Festival. All booths and display materials must remain intact during the entire festival. Representatives may not attend in place of the artist. **The Organizer reserves the right to close or remove any booth at which the Artist is not noticeably present.** Acceptable photo identification is required at check in to ensure compliance.
 5. Artists must be at least 18 years old.
 6. Only those Artists accepted in the Jewelry category may exhibit or sell jewelry. All jewelry, regardless of the materials used, must be entered in the Jewelry category.
 7. Artists must prominently display an Artist Statement in their booth describing their materials, process and technique.
 8. **No more than two artists may collaborate on work.** Both Artists must be included on the application. Artist collaborators that produce a single product must creatively contribute to each piece.
- Art In The Pearl Inc. seeks to present the highest quality fine arts and crafts festival.
9. Consistent enforcement of these rules helps us meet that goal. Members from the Quality Assurance Committee will visit all displays at intervals throughout the Festival. An artist may be asked to remove work. If issues are resolved, the artist may remain in the festival. **If the noncompliance remains, the artist may be requested to leave the festival at that time. Such removal may also make the artist ineligible for future participation in Art In The Pearl. If an Artist is asked to leave the show for noncompliance, no booth fee refunds or other compensation will be provided.**

RESTRICTIONS: TWO DIMENSIONAL REPRODUCTIONS:

1. Quality, unframed reproductions of two dimensional originals, signed and numbered by the Artist, are the only acceptable form of sales in addition to the original works. When original art is scanned in or digitally uploaded into a computer or photographed onto film and then printed as a Giclee/ink jet print, photograph, offset lithograph, photocopy etc., the result is considered a reproduction and not an original work in accordance with Festival rules. Any of the above or any similar method of work that also receives additional modification or enhancement by the Artist are also considered to be reproductions in accordance with the Festival rules.

All reproductions must be clearly and individually labeled "reproduction" on the front of each piece. They must NOT be labeled as "print", "offset lithograph" or "giclee".

*****Reproductions on canvas are not acceptable.**

2. Reproductions must be signed, and editions must contain no more than 250 total per image.

3. Reproductions shall be unframed and may not be displayed on any wall space. Only original works may be hung. Reproductions may be displayed only in browse boxes, flip bins or similar displays.

4. **At least 85% of Artist's display shall consist of original artwork.** Reproductions will be limited to no more than 15% of the total display by any Artist. Reproductions must be consistent with the style and quality of work represented in juried images.

5. Artists may not sell postcards, note cards, calendars, posters, magnets, stationery, works digitally printed on canvas (e.g. giclee on canvas), or t shirts.

6. Photographers are encouraged to do their own printing.

Photographs on canvas are not acceptable.
